# Magical Heroines!

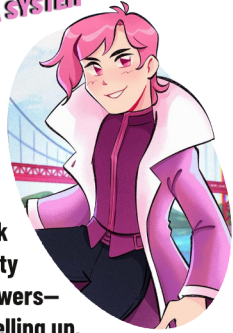

Yes...and magical squid, yakuza, scheming school counselors, body-warping, and eldritch brain demons. Don't think too hard about it! Just fight, and die! Frenetic seinen action-horror-satire not for the faint of heart! FUBAR indeed.

"Legit, this is a Proper Manga." - DriveGhost

# REBORN ON A SYSTEMLESS EARTH WITH A SYSTEM

**Eryk Solbourne:** dungeoneer one minute, "really good cosplayer" the next. While he may lack smarts and a Social Security Number, he still has his powers—but if he doesn't keep levelling up, they'll kill him. Too bad murder's not legal.

**A complete(ly ridiculous) road trip LitRPG!**

# Catgirl System

An alley cat on her second life finds magic, mischief, and her first friends...or girlfriends? Take a walk in the woods with this relaxing LitRPG!

"This author is a fundamentally insightful human. Unless she's a cat. Actually that might explain a few things..." - Class: Jonathon

Invisible Werewolf

Dracula

meets

Vampire Mummy

Frankenstein

History's greatest monsters, badasses—and friends. Can Drac and Adam overthrow the werewolf regime and save all monsterkind? Pick up this loquacious lark and find out!

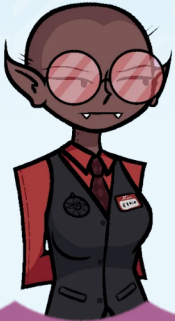

**Fully illustrated! And check out the audiobook edition too!**

Take to the skies as a minimum-wage crew member on the U.S.S. Tibarn! (At least it has a lesbian bar you can try on your off time.)

# Love is in the Airship

- A wry, quirky 50,000+-word visual novel!
- Tons of paths and achievements for the completionist in you!

"Really clever. Honestly not sure if I have enjoyed a visual novel this much, like, ever... Laughed out loud many many times, and screamed a lil bit." - trenchmarian

"Very funny game, every other line is a banger." - ThirtySephir

"Alex is lowkey me frfr" - Saint

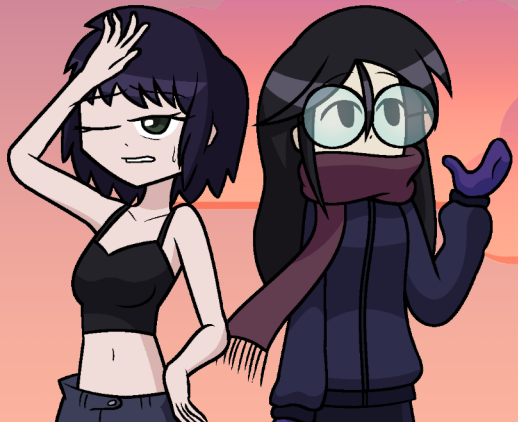

# WINTER HEAT

It's freezing here. It's summer there. A friendship crosses the globe and melts into something more. In this single-route visual novel, follow Javi and Shio—their work-life struggles, gaming trash talk, tears, photos, and helping hands.

"Sweet as candy and fun fun fun to play!" - amyalways

"Aww this was adorable!" - Sneek

Go back to a time when all that mattered were four turts with 'tude—sorry, I meant bunnies who...were...badical?

Plus: check out questionable business practices, peep in on 90s celebs at their absolute nadir, and make your own carrot oatmeal! At last!!

When I eat?  
I eat out LOUD.

# CARROT INFORMER

magazine  
july 199x

"A godsend. I will never forget to eat carrots again."  
- Joi Massat

The Demon Lord is Apathetic

Who is the lord of Nightfall Castle? A shadowy shapeshifter with vast potential and...no interest in anything but pizza poppers. (How do medieval people even get those?)

Follow Nyx, their pathetic demon lieges, the nerdy summoned "hero" and more as the world kicks their collective ass. They deserve it.

Three novels, one meaty collection!
